

PRESSE RELEASE

COOPERATION AND EXCHANGE MISSION BETWEEN ANRT AND ARMD

As part of efforts to strengthen international cooperation and the exchange of expertise between regulatory authorities, a delegation from the Djibouti Multisectoral Regulatory Authority (ARMD) is carrying out a working mission in Rabat, Morocco, from May 18 to 22, 2026, with Morocco's National Telecommunications Regulatory Agency (ANRT), the authority responsible for telecommunications regulation in Morocco.

This official mission, hosted by the Director General of ANRT, Az El-Arabe Hassibi, reflects the shared commitment of both institutions to consolidate their cooperative relations and develop technical exchanges on matters of mutual interest. The ARMD delegation is composed of:

- Ms. Mouna Abdillah Omar, Deputy Director General;
- Ms. Oubah Abdi Hassan, Acting Director of Legal Affairs and Cooperation;
- Mr. Mohamed Habib Daoud, Director of Telecommunications and ICTs;
- Mr. Farah Ahmed Guedi, Director of Economy, Competition, and Markets.

During this visit, the two authorities will examine several topics related to telecommunications regulation, the sharing of international best practices, and institutional capacity building.

This meeting will also be marked by the signing of a cooperation agreement between ANRT and ARMD, intended to establish a structured framework for collaboration in areas relating to the regulation of the telecommunications and ICT sector. This mission is part of ARMD's strategy to strengthen its partnerships with benchmark international institutions in order to consolidate its expertise and effectively support the development of the telecommunications and energy sectors in the Republic of Djibouti. Through this cooperation with ANRT, ARMD reaffirms its commitment to promoting regulation that is suited to today's challenges.
